INTERVIEW SUMMARY UNDER 37 C.F.R. § 1.133

Mail Stop: AF
Commissioner for Patents
P.O. Box 1450
Alexandria, VA 22313-1450

On September 29, 2005, the undersigned held a scheduled telephone conference call with Examiner Ashokkumar Patel.

As an initial matter, the undersigned would like to thank Examiner Patel for his time and effort in preparation for and during the telephone conference call.

During the telephone conference call, the parties discussed refining the claim language for claim 1 to obtain allowance of the above-referenced patent application. The claim language related to transmission of a first beacon signal and a second beacon signal was discussed. While no agreement was reached regarding particular claim language, the reference to paragraph [0031] of the instant patent application by Examiner Patel was discussed, as was general nature of claim amendments to focus on transmission of the first beacon signal and the second beacon signal to more clearly define claim 1.
